

OPPPM Notice No. 20-80-14

15 December 1980

OFFICE OF PERSONNEL POLICY, PLANNING, AND MANAGEMENT NOTICE

SUBJECT : Special Pay Rates for Certain Positions

RESCISSION: OPPPM Notice 20-80-1, dated 26 February 1980

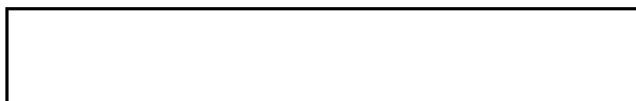

1. Executive Order 12248 authorized a pay increase for General Schedule employees effective 5 October 1980. The Office of Personnel Management (OPM) indicated that the pay of employees covered by special pay schedules should be increased at that time by an amount equivalent to the increase for General Schedule employees. These increases are interim pending completion of the annual review of special schedules.

2. The OPM annual review is still in process; therefore, the Medical Officer (GSM), Clerical (GSC), and Engineering (GSE) Schedules may have some future adjustments.

3. Effective 5 October 1980, personnel GSM-14 (steps 4 and above) and GSM-15 (all steps) are denied a full salary increase due to pay ceiling limitations set by Congress.

4. The following information must be included on all Forms 1152, Request for Personnel Action, prepared for employees in the GSC, GSM, and GSE occupational categories:

- a. Item 5, Category of Employment - in addition to the prescribed category designation, insert (Clerical) for those employees covered by the Clerical Pay Schedule, (Engineer) for those covered by the Engineering Pay Schedule, and (Medical) for those covered by the Medical Officer Pay Schedule.
- b. Item 14, Classification Schedule - use the GSC designation for Clerical categories, the GSE designation for Engineer categories, and the GSM designation for Medical Officers.
